A screenshot of a document viewer interface, likely from a Mac OS X application like Preview. The main content is a magazine cover titled "DRECK MAGAZINE". The cover features a man with orange skin and dark hair looking directly at the viewer. To his right, another man wearing a fedora hat is seen from behind, looking towards the first man. The word "obsession" is written in blue cursive script across the lower part of the man's torso. The background of the cover is a collage of various images, including what appears to be a close-up of a face and some foliage. The title "DRECK" is in large, bold, yellow letters at the top, with "MAGAZINE" and "QUARTERLY" in smaller letters below it. A small text box in the bottom right corner of the cover reads "Volume Four Fall 2006". The document viewer interface includes tabs for "DOCUMENT" and "PAGES" at the top left, and a "Zoom" slider at the top right. The page number "1" is visible at the bottom center, along with navigation arrows and a page count of "of 20".
